# FAPI-SIG Community 30<sup>th</sup> Meeting

# Table of Contents

Proposal : Meeting Schedule

Discussion : RAR/Grant Management API

# Proposal : Meeting Schedule

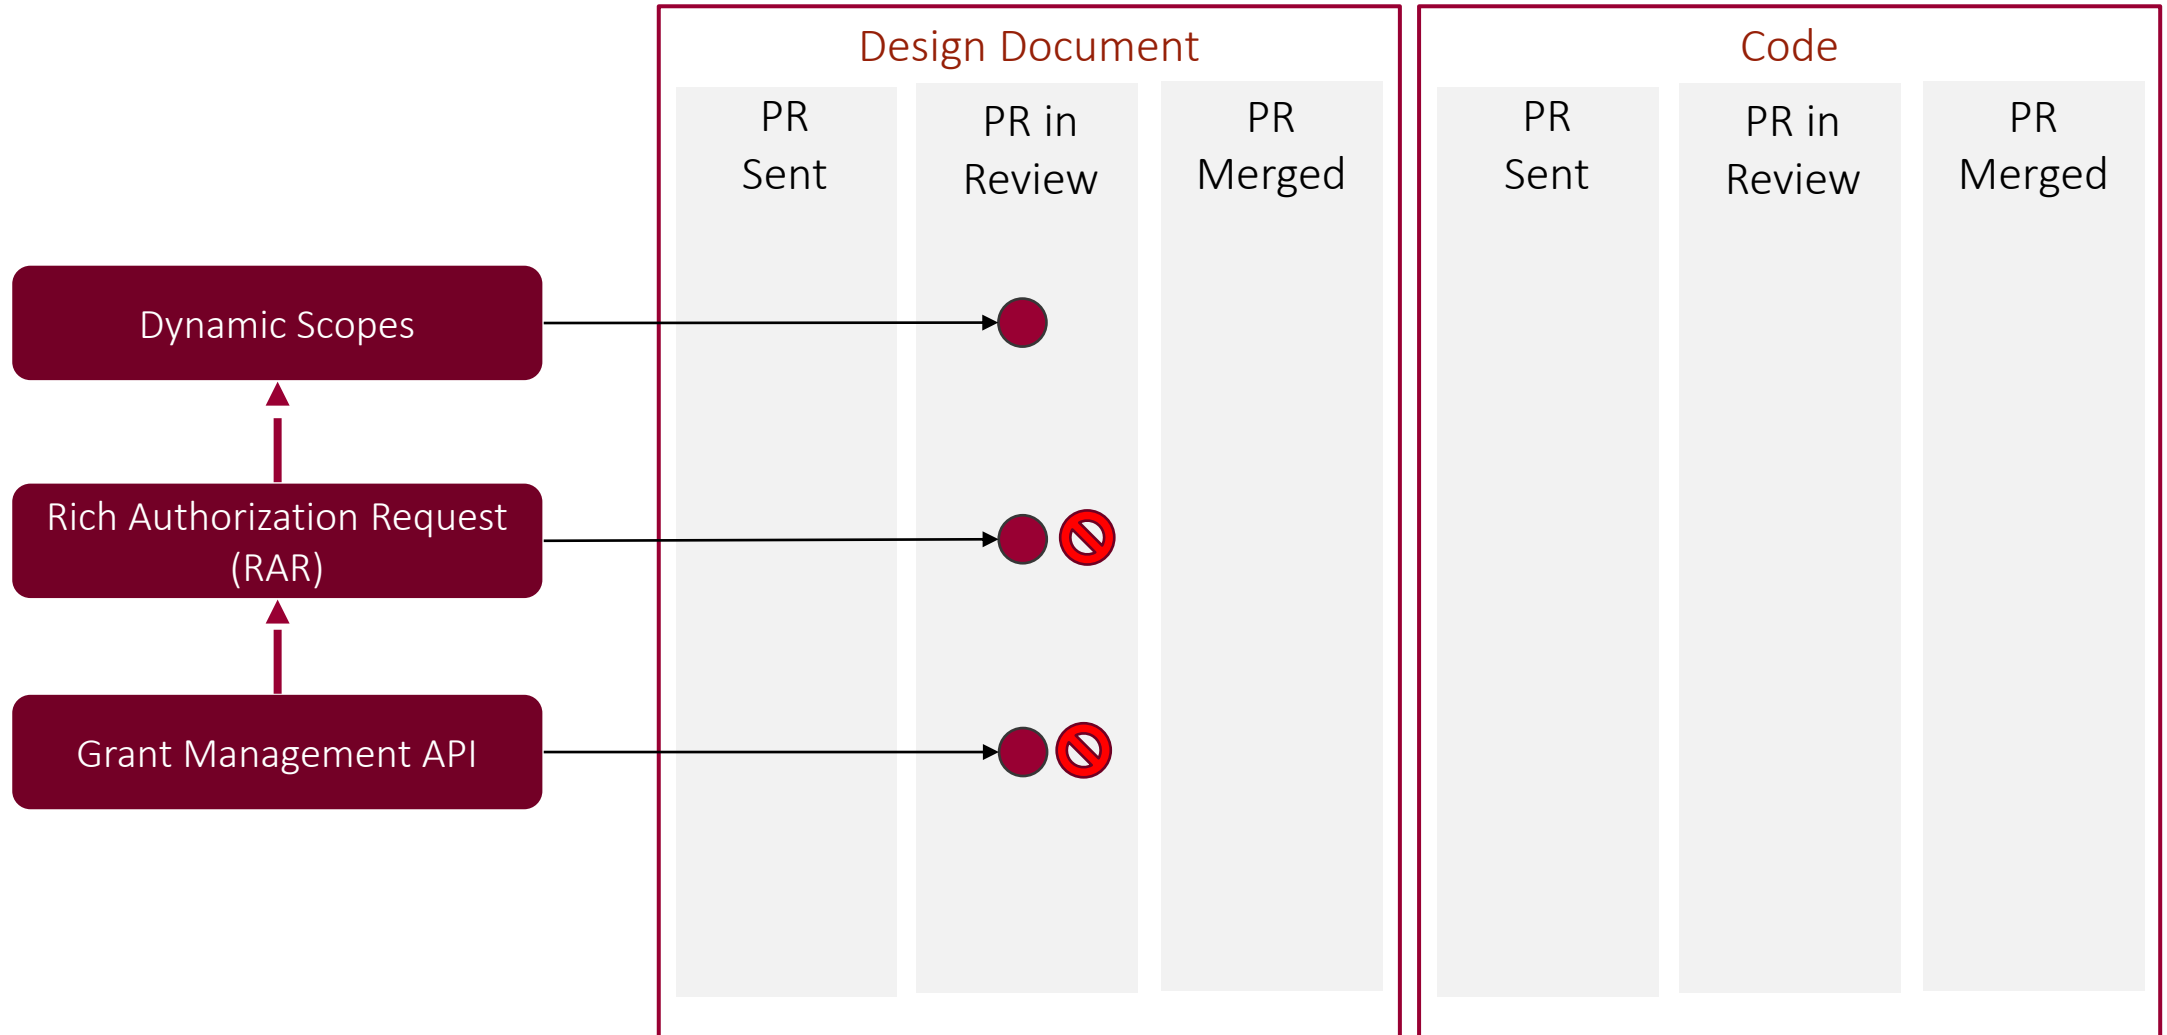

[Proposal]

From a next meeting, how about holding a meeting every 4 weeks instead of current 2 weeks?

[Reason]

- FAPI 1.0 support, one major goal of FAPI-SIG, has been completed.
- Next FAPI 2.0's specification has still been in Draft phase.
- It is still important to communicate each other in regular bases.

# Discussion : RAR/Grant Management API
