Proposal : Meeting Schedule

Discussion : DPoP

Discussion : RAR/Grant Management API

PROPOSED DRAFT
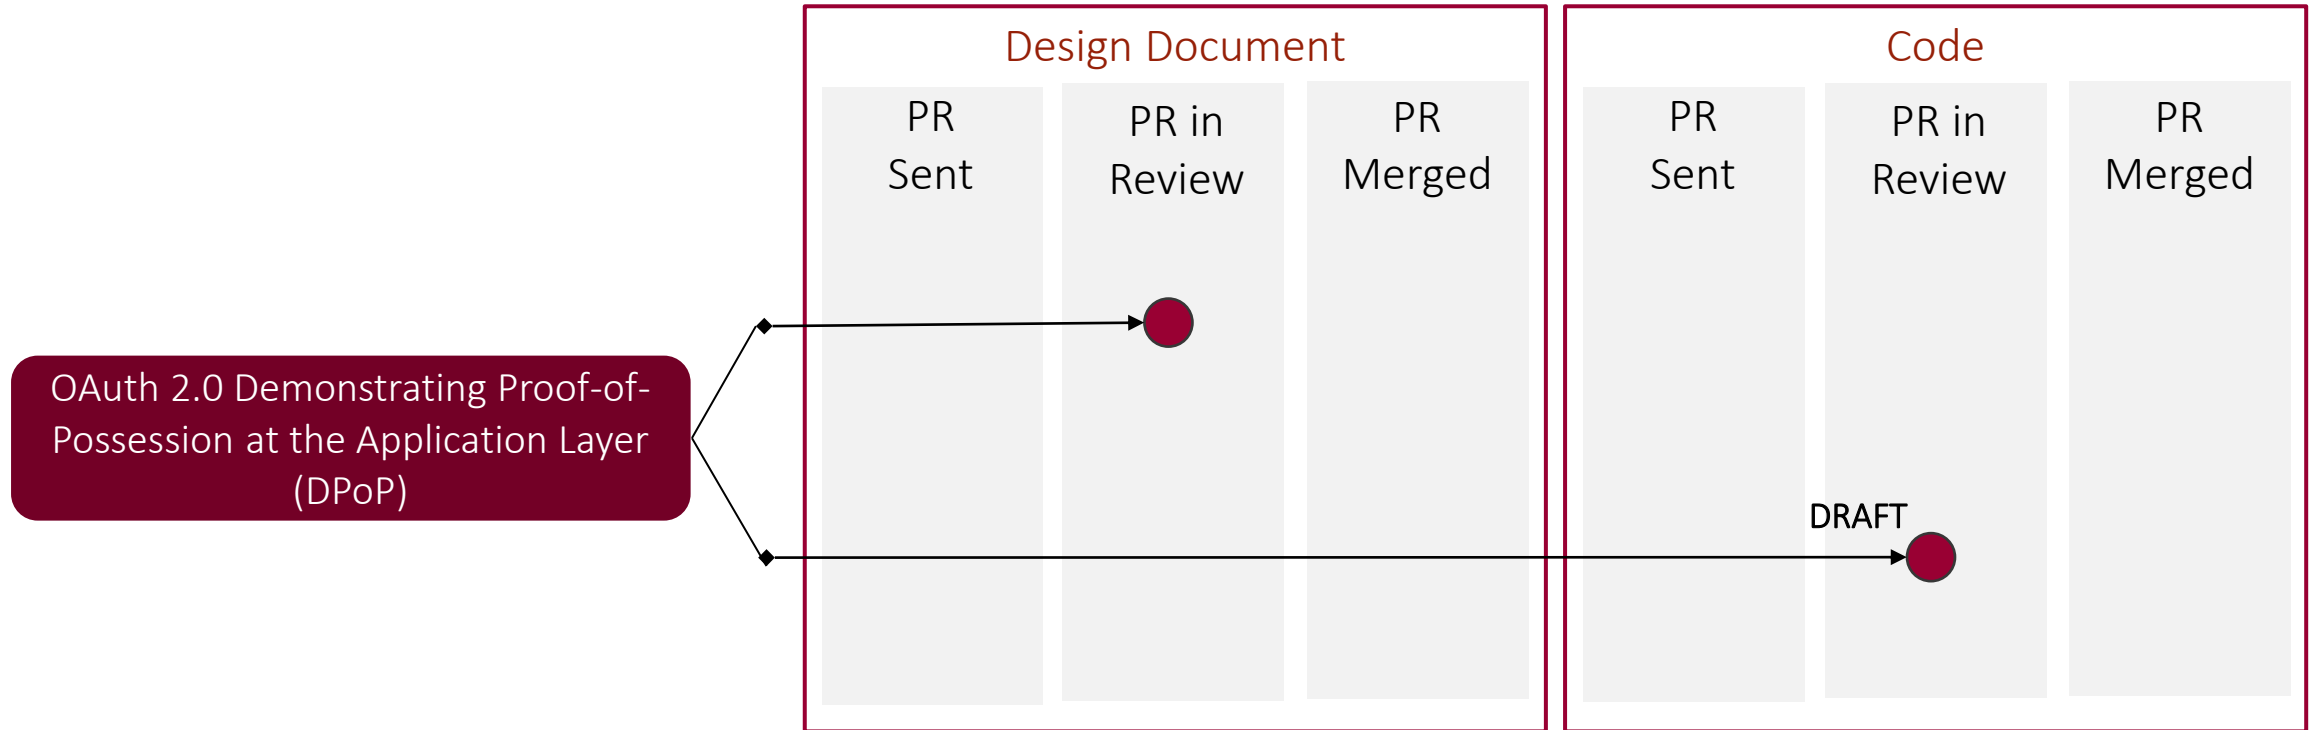

Proposal : Meeting Schedule

[Proposal]

From a next meeting, how about holding a meeting every 4 weeks instead of current 2 weeks?

[Reason]

- FAPI 1.0 support, one major goal of FAPI-SIG, has been completed.
- Next FAPI 2.0's specification has still been in Draft phase.
- It is still important to communicate each other in regular bases.
